This amount is the maximum total amount; it is not a guarantee that the work to be performed by Contractor, and the total of the corresponding payments that Procuring Agency pays to Contractor, will equal the maximum total amount. However, the Parties do not intend for Contractor to continue to deliver the Deliverables without compensation once the total compensation amount has been reached. Therefore, Contractor must notify Procuring Agency before the price of a Deliverable reaches the compensation amount for that Deliverable stated in the SOW. In no event will Procuring Agency pay Contractor for any Deliverables in an amount that exceeds the maximum total amount without this Agreement being amended in writing prior to Contractor’s continued delivery of the Deliverables.

Procuring Agency will pay Contractor upon Procuring Agency's Acceptance of each Deliverable according to Article 4, below, and upon the receipt and Acceptance of Contractor's detailed and certified Payment Invoice(s). - D. **Retainage.** Procuring Agency will retain twenty percent (20%) of the fixed-price cost of each stated Deliverable as security for Contractor's full performance of this Agreement. Procuring Agency will release all retained amounts to Contractor upon Procuring Agency's Acceptance of the final Deliverable.

- E. **Performance Bond.** Contractor will execute and deliver to Procuring Agency, contemporaneously with the execution of this Agreement, a performance bond in the amount of **[Insert Total Amount of the agreed upon Performance Bond]** (the "Performance Bond") in Procuring Agency's name. Contractor will submit its Payment Invoices to Procuring Agency according to, or lower than, the Deliverable price stated in the SOW, less the retainage, if any, stated in Article 3(D), above. Contractor will not submit Payment Invoices to Procuring Agency for any amount(s) that exceed the amount(s) stated in the SOW absent Procuring Agency’s prior written permission.
- B. **Acceptance.** According to Section 13-1-158 NMSA 1978, the ELR will determine whether the Deliverable(s) meet(s) the specifications stated in the SOW. Procuring Agency will not pay for any Deliverable until the ELR Accepts the Deliverable in writing. In order to Accept a Deliverable, the ELR, in conjunction with the Project Manager, will perform a Quality Assurance Review of the Deliverable to determine, at a minimum, whether the Deliverable:
1. Meets or exceeds the Deliverable requirements stated in the SOW; and
 2. Complies with the terms and conditions of the Request for Quote; and
 3. Meets or exceeds the generally accepted industry standards and procedures applicable to the Deliverable(s); and
 4. Complies with all other of Contractor’s requirements, duties and obligations hereunder.

In the event the ELR Accepts a Deliverable according to the ELR’s Quality Assurance Review, the ELR will send Contractor the ELR’s written Acceptance within **[INSERT # of days - recommend at not less than fifteen (15)] Business Days** (the “Acceptance/Rejection Period”) from the date the ELR receives each of Contractor’s Payment Invoice(s).

- C. **Rejection.** If the ELR fails to give Contractor notice of Procuring Agency’s rejection of a Payment Invoice within the Acceptance/Rejection Period, the Deliverable, together with its corresponding Payment Invoice will be deemed to be Accepted by Procuring Agency. In the event the ELR rejects the Deliverable following the ELR’s Quality Assurance Review within the Acceptance/Rejection Period, the ELR will send Contractor a rejection notice together with a consolidated set of comments (“Comments”) indicating the issues, unacceptable items, and/or requested revisions that Contractor should make or perform with respect to the rejected Deliverable.

Upon Contractor’s receipt of the ELR’s rejection and Comments, Contractor will have ten (10) Business Days to resubmit the rejected Deliverable to Procuring Agency together with Contractor’s revisions, corrections and/or modifications made according to the ELR’s Comments. Upon receipt of Contractor’s revised, corrected or modified (“Revised”) Deliverable, the ELR will determine whether the Revised Deliverable is Acceptable by conducting a second Quality Assurance Review. The ELR will then issue a written determination of Procuring Agency’s acceptance or rejection of the Revised

Deliverable within fifteen (15) Business Days of Procuring Agency's receipt of the Revised Deliverable.

In the event the ELR rejects the Revised Deliverable according to the second Quality Assurance Review, Contractor will be then required to provide a remediation plan that will include a list of Contractor's planned corrective measures and an associated timeline for Contractor to complete its remediation of the Deliverable. Contractor's remediation plan must be accepted by the ELR prior to Contractor's implementation of its Deliverable remediation plan. At the same time, Contractor will also be subject to pay Procuring Agency all of Procuring Agency's monetary damages associated with Contractor's failure to timely deliver an Acceptable Deliverable and must complete all remedies attributable to Contractor's late delivery of the Deliverable.

In the event ELR rejects a Deliverable three times, Procuring Agency may declare Contractor to be in Default and may immediately terminate this Agreement. Procuring Agency may then seek to recover from Contractor any and all damages and remedies available hereunder and otherwise available in law or equity.

- C. Notice; Opportunity to Cure.

Contractor's termination notice to Procuring Agency will only take effect: (i) if Procuring Agency fails to commence curing Procuring Agency's material Default(s) within Contractor's thirty (30) day notice period, or (ii) in the event Procuring Agency cannot commence to cure its material Default(s) within Contractor's thirty (30) day notice period, Procuring Agency will issue a written notice to Contractor concerning: (a) Procuring Agency's intent to cure, and (b) Procuring Agency's commencement of the due diligence necessary to cure its material Default.
 3. Notwithstanding the foregoing, Procuring Agency may terminate this Agreement immediately upon its written notice sent to Contractor: (i) in the event Contractor becomes patently unable to deliver the Deliverables, as Procuring Agency may, in its sole and exclusive discretion, determine; (ii) if, during the term of this Agreement, Contractor is suspended or debarred by the State Purchasing Agent; or (iii) this Agreement is terminated pursuant to Article 5, above.
- D. **Liability.** Except as otherwise expressly allowed or provided hereunder, Procuring Agency's sole liability upon termination by either Party will be to compensate Contractor for Contractor's Acceptable work performed prior to Contractor's receipt or issuance of a written termination notice; provided, however, that a notice of termination issued by either Party will not nullify or otherwise affect either Party's liability for pre-termination defaults hereunder. Contractor will submit a Payment Invoice to Procuring Agency for Contractor's Acceptable work within thirty (30) days of receiving or issuing a notice of termination.

THE PROVISIONS CONTAINED WITHIN THIS ARTICLE 6 ARE NOT EXCLUSIVE AND DO NOT ACT TO WAIVE PROCURING AGENCY'S OTHER LEGAL RIGHTS AND EQUITABLE REMEDIES ENGENDERED BY CONTRACTOR'S DEFAULT HEREUNDER.

8. If Contractor does use Pre-Owned IP to fulfill the scope of work under this Agreement and identifies such, Contractor, at Procuring Agency's request, hereby grants Procuring Agency a permanent, full, complete, non-sublicensable, and non-transferable right and license to utilize any and all such IP.
- B. **Intellectual Property Indemnification.** At Contractor's sole expense, Contractor will defend Procuring Agency, the State and/or any other State entity against any claim brought or made by a third party alleging that any product, Service or Deliverable that Contractor provides hereunder infringes the third party's Intellectual Property (an "Infringement Claim"). Contractor will pay all costs, damages and attorney's fees and monetary damages that may be awarded as a result of such Infringement Claim(s) in addition to the amount of the judgment award(s). To qualify to receive Contractor's defense cost(s) and/or other payment(s) related to any Infringement Claim(s), Procuring Agency will:
1. Give Contractor written notice, within forty-eight (48) hours, of Procuring Agency's receipt of an Infringement Claim;

2. Work with Contractor to control the defense and settlement of the Infringement Claim(s); and
 3. Cooperate with Contractor, in a reasonable manner, to facilitate Contractor's defense or settlement of the Infringement Claim(s).
- C. Procuring Agency's Rights. In the event any product, Service or Deliverable that Contractor provides to Procuring Agency hereunder becomes, or in Contractor's opinion is likely to become, the subject of an Infringement Claim, Contractor will, at its sole cost and expense:
1. Provide Procuring Agency the right to continue using the product, Service or Deliverable and fully indemnify Procuring Agency against any and all third Infringement Claim(s) that may arise from Procuring Agency's use of the product, Service or Deliverable;
 2. Replace or modify the product, Service or Deliverable so that such product, Service or Deliverable becomes non-infringing; or
 3. Accept the return of the product, Service or Deliverable and refund an amount equal to the value of the returned product, Service or Deliverable, less the unpaid portion of the purchase price and any other amounts, which Procuring Agency owes to Contractor. Contractor's obligation will be void with respect to any product, Service or Deliverable modified by Procuring Agency to the extent the modification is the direct cause of the Infringement Claim.

ARTICLE 11 - WARRANTIES

- A. General. Contractor hereby expressly warrants the Deliverable(s) will be correct in all aspects according to the specifications stated in the SOW and all generally accepted industry standards (the combination of which comprise the "Applicable Specifications"). Contractor’s personnel replacements must be pre-approved in writing by Procuring Agency’s Project Manager. For all of Contractor’s personnel, Procuring Agency reserves the right to require submission of their resumes prior to receiving Procuring Agency’s approval. In the event Contractor reduces the number of its personnel assigned to the Project for any reason, Contractor will, within ten (10) Business Days of its personnel reduction, replace those persons with the same or a greater number of persons with equal or superior ability, experience, and qualifications, subject to Procuring Agency’s prior written approval. Procuring Agency, in its sole and exclusive determination, may extend the time Contractor is allowed beyond the required ten (10) Business Day period concerning Contractor’s replacement of its personnel. Contractor will include status reports to Procuring Agency concerning Contractor’s personnel replacement efforts as well as the impact upon the progress of the Project due to the absence of Contractor’s personnel. In addition, Contractor will make interim arrangements to assure that the progress of the Project remains unimpeded by the loss of any of Contractor’s personnel. Procuring Agency reserves the right to require a change in Contractor’s personnel in the event Contractor’s personnel are not, in Procuring Agency’s sole and exclusive determination, meeting Procuring Agency’s standards and/or expectations.

ARTICLE 13 – INDEPENDENT CONTRACTOR STATUS

- A. **Independent Contractor.** For the purposes of this Agreement, Contractor and Contractor’s Employees are independent Contractors who produce and deliver the Deliverables to Procuring Agency. Contractor’s Employees are neither employees nor agents of the State (“State Employees”). None of Contractor and Contractor’s Employees will accrue State benefits, including but not limited to, leave, retirement, insurance, bonding, use of state vehicles, or any other benefits that may be afforded to State Employees as a result of Contractor’s entering this Agreement. Contractor acknowledges and agrees that all sums received hereunder are either reportable as a separate business entity or are, in the event Contractor operates as a sole proprietorship, personally reportable by Contractor for income and GRT tax purposes as self-employment or business income and are reportable for self-employment tax.

- B. **Subject of Proceedings.** Contractor warrants that neither Contractor nor any of Contractor's Employees are presently subject to any litigation or administrative proceeding before any court or administrative body which could adversely affect Contractor's ability to perform hereunder; nor, to the best of Contractor's knowledge, information or belief, is any such litigation or proceeding presently threatened against Contractor or any of Contractor's Employees. In the event any such proceeding is initiated or threatened during the term of this Agreement, Contractor will immediately disclose such initiation or threat to Procuring Agency.

ARTICLE 14 - CHANGE MANAGEMENT

1. The Project Manager will draft a written Change Request for the ELR's review and approval, including:
 - (a) the name of the person requesting the Change;
 - (b) a summary of the requested Change;
 - (c) the start date for the requested Change;

1. Providing the Project documentation;
 2. Allowing the IV&V contractor to attend Project related meetings; and
 3. Supplying the IV&V contractor with any/all other information and/or material(s) as may be directed by the Project Manager.

 2. Use a report format consistent with DoIT's IV&V Reporting Template and Guidelines located on the same DoIT website.

ARTICLE 16 – DEFAULT

In case of Contactor's Default, for any reason whatsoever, Procuring Agency and/or the State may procure the Deliverables from another source and hold Contractor responsible for any resulting excess costs and/or damages, including but not limited to, direct damages, indirect damages, consequential damages and special damages. Procuring Agency and/or the State may also seek all other available remedies against Contractor hereunder or which may be otherwise available under law or equity.

ARTICLE 17 – EQUITABLE REMEDIES

Contractor acknowledges that its failure to comply with any provision hereunder may cause Procuring Agency irrevocable harm and that a remedy at law for such a failure would constitute an inadequate remedy for Procuring Agency. Contractor consents to Procuring Agency's obtaining from a court of competent jurisdiction, specific performance, or injunction, or any other equitable relief in order to enforce such compliance. Procuring Agency's right to obtain equitable relief pursuant to this Agreement will be in addition to, and not in lieu of, any other remedy that Procuring Agency may have under applicable law, including, but not limited to, monetary damages.

ARTICLE 18 - LIABILITY

Contractor will be liable for damages arising out of injury to persons and/or damage to real, tangible or intangible property at any time, in any way, if and to the extent that the injury or damage was caused by or due to Contractor's fault or negligence or to a defect in Contractor's production or delivery of any Deliverable hereunder, whether Contractor produces or delivers the Deliverable in whole or part. Contractor will not be liable for damages arising out of, or caused by, alterations made by Procuring Agency to any equipment or its installation or for losses caused by Procuring Agency's fault or negligence. In the event Contractor's negligent or omitted production or delivery of any Deliverable results in a defect which is the direct or indirect cause of injury to any third party and/or employee of Procuring Agency or the State, nothing hereunder will act to limit Contractor's, or Contractor's Employees' liability to such third party and/or employee, or will act to limit any remedy that may exist under law or equity with respect to Contractor's and/or Contractor's Employees' negligent act or omission.

ARTICLE 19 – ASSIGNMENT

Contractor will not assign or transfer any of Contractor's interests, rights, responsibilities, duties, obligations and/or liabilities hereunder or assign any of Contractor's claims for money due or that might become due hereunder absent Procuring Agency's prior written approval.

ARTICLE 20 – SUBCONTRACTING

- A. General Provision. Contractor will not subcontract or assign any portion of this Agreement or the SOW to any subcontractor absent Procuring Agency's prior written approval. No such subcontracting or assignment will relieve Contractor of its direct and indirect responsibilities, duties, obligations and/or liabilities hereunder, nor will any such subcontracting trigger or obligate Procuring Agency to make a payment, either directly or indirectly, to any subcontractor.
- B. Responsibility for Subcontractors to Maintain Confidentiality. Contractor will not disclose any of Procuring Agency's or State's Confidential Information to a subcontractor absent Procuring Agency's prior written consent. Each subcontractor will agree in a written form pre-approved by Procuring Agency to protect and keep confidential any and all Confidential Information in the same manner required of Contractor stated in Article 22, below.

ARTICLE 21 – RELEASE

Contractor's Acceptance of Procuring Agency's final payment made hereunder will operate as Contractor's full release of Procuring Agency, the State, and their officers, employees and agents from any and all liabilities, claims and obligations whatsoever arising hereunder.

ARTICLE 22 – CONFIDENTIALITY

Contractor will protect and keep confidential any and all Confidential Information that Procuring Agency provides to Contractor as well as any and all Confidential Information that Contractor develops based upon information provided by Procuring Agency during Contractor's performance hereunder. Upon termination of this Agreement, Contractor will: (a) deliver all Confidential Information in its possession to Procuring Agency within thirty (30) Business Days of the termination, and (b) Contractor will protect and will not make available or provide Confidential Information to any third party absent Procuring Agency's prior written approval for a period of five (5) years commencing on the termination or expiration date. Contractor acknowledges that Contractor's failure: (a) to deliver such Confidential Information to Procuring Agency, or (b) to protect and keep Confidential Information secret may result in Procuring Agency's seeking to obtain direct, special and/or incidental damages from Contractor.

ARTICLE 23 –CONFLICT OF INTEREST

Contractor warrants that it presently has no interest and will not acquire any interest, direct or indirect, which would conflict in any manner or degree with Contractor's delivery of the Deliverables required hereunder. Contractor certifies that it has followed the requirements of the Governmental Conduct Act, Sections 10-16-1 through 10-16-18, NMSA 1978, regarding contracting with a public officer, state employee or former state employee.

ARTICLE 24 - RECORDS AND AUDIT

Contractor will maintain detailed time and expenditure records, which indicate the date, time, nature and cost of the Deliverables rendered during this Agreement's term and will retain those records for a period of three (3) years from the date of Procuring Agency's final payment to Contractor hereunder. Contractor's records will be subject to inspection by Procuring Agency, DoIT's CIO, NMSPA, GSD, Department of Finance Authority and the New Mexico State Auditor's Office. Procuring Agency will have the right to audit Contractor's billings prior and subsequent to each of Procuring Agency's payments made to Contractor. Procuring Agency's payment for the Deliverables hereunder will not foreclose Procuring Agency's right to recover Procuring Agency's payments made to Contractor or its affiliates against Contractor's excessive or illegal Payment Invoices, if any.

ARTICLE 25 - AMENDMENT

This Agreement will not be altered, changed, or amended except by an instrument in writing executed by the Parties. No amendment will be effective or binding unless approved by all of the State's and Contractor's approval authorities. Amendments are required for the following:

1. Deliverable requirements stated in the SOW;
2. Due Date of any Deliverable stated in the SOW only if due date change requires extension of Article 5 termination date;
3. Compensation for any Deliverable stated in the SOW;
4. Agreement Compensation, pursuant to Article 3; or
5. Agreement termination, pursuant to Article 5.

ARTICLE 26 – NEW MEXICO EMPLOYEES HEALTH COVERAGE

- A. In the event Contractor has, or grows to, six (6) or more employees who work, or who are expected to work, an average of at least 20 hours per week over a six (6) month period on the Project during the term of this Agreement, Contractor certifies, by signing this Agreement, to have in place, and agree to maintain for the term of this Agreement, health insurance for those employees and offer that health insurance to those employees in the event the expected annual value in the aggregate of any and all contracts between Contractor and the State exceed \$250,000 dollars.
- B. Contractor will maintain a record of the number of employees who have (a) accepted health insurance; (b) declined health insurance due to other health insurance coverage

already in place; or (c) declined health insurance for other reasons. Contractor's records are subject to review and audit by a representative of the State.

- C. Contractor will advise Contractor's Employees concerning the availability of State publicly financed health care coverage programs by providing each employee with, as a minimum, the following web site link to additional information:
<https://www.bewellnm.com>.
- D. For Indefinite Quantity, Indefinite Delivery contracts (statewide or agency price agreements without specific limitations on quantity and providing for an indeterminate number of orders to be placed against them); Contractor agrees those requirements will become applicable on the first day of the second month after Contractor reports its combined sales (to the State and, if applicable, to local public bodies in the event those sales are made pursuant to a statewide or agency price agreement) in the aggregated amount of \$250,000 or more.

ARTICLE 27 – SEVERABILITY, MERGER, SCOPE, ORDER OF PRECEDENCE

- A. **Severability.** The provisions of this Agreement are severable, and in the event for any reason, a clause, sentence or paragraph of this Agreement is determined to be invalid by a court, agency or commission having jurisdiction over the subject matter hereof, such invalidity will not affect the other provisions of this Agreement, which will be given effect absent the invalid provision.
- B. **Merger/Scope/Order.** This Agreement incorporates any and all agreements, covenants and understandings between the Parties concerning the subject matter hereof, and all such agreements, covenants and understanding have been merged into this Agreement. No prior agreement or understanding, verbal or otherwise, of the Parties or their agents or assignees will be valid or enforceable unless stated in this Agreement.

Inspection by, or disclosure to, any person or entity other than an officer, employee, or subcontractor of the Contractor is prohibited.
- C. Contractor agrees that it will account for all Confidential Information upon receipt and store such Confidential Information in a secure manner before, during, and after processing. In addition, all related output will be given the same level of protection by the Contractor as required for the source material.

The Contractor certifies that the Confidential Information processed during the performance of this Agreement will be deleted from, or otherwise wiped, removed, or rendered unreadable or incapable of reconstitution by known means on all electronic data storage components in Contractor's facilities, including paper files, recordings, video, written records, printers, copiers, scanners and all magnetic and flash memory components of all systems and portable media, and no output will be retained by the Contractor at the time the work is completed or when this Contract is terminated. If immediate purging of all electronic data storage components is not possible, the Contractor certifies that any Confidential Information remaining in any storage component will be safeguarded, using IRS Pub 1075 information storage safeguarding controls for FTI to prevent unauthorized disclosures beyond the term of this Agreement as long as Contractor is in possession of such Confidential Information.
- E. Any spoilage or any intermediate hard copy printout that may result during the processing of Confidential Information will be given to the Procuring Agency or his or her designee. When this is not possible, the Contractor will be responsible for the destruction (in a manner approved by the Procuring Agency) of the spoilage or any intermediate hard copy printouts, and will provide the Procuring Agency or his or her designee with a statement containing the date of destruction, description of material destroyed, and the method used.

to possible future privacy and security threats to PII. In addition to the corrective action, the Contractor must provide updates at agreeable intervals to the Procuring Agency as to the progress of all corrective measures taken until the issue is resolved. The Contractor shall be responsible for all costs of implementing the corrective action plan.

- M. All client files and patient records created or used to provide services under this Agreement, as between the parties, are at all times property of Procuring Agency. Upon Procuring Agency's request, all such client files and patient records shall be returned to Procuring Agency upon Procuring Agency's request or no later than the final agreed upon termination date of this contract.

Notification

- a. Business Associate agrees to report to the Department Contract Manager or HIPAA Privacy and Security Officer any use or disclosure of PHI not provided for by this BAA or PSC 21-630-4000-00xx, and HIPAA Standards, including breaches of unsecured PHI as required by 45 C.F.R. § 164.410, as soon as it (or any employee or agent) becomes aware of the Breach, and in no case later than three (3) business days after it (or any employee or agent) becomes aware of the Breach, except when a government official determines that a notification would impede a criminal investigation or cause damage to national security.
- b. Business Associate shall provide the Department with the names of the individuals whose unsecured PHI has been, or is reasonably believed to have been, the subject of the Breach and any other available information that is required to be given to the affected individuals, as set forth in 45 CFR §164.404(c), and, if requested by the Department, provide information necessary for the Department to investigate promptly the impermissible use or disclosure. Business Associate shall continue to provide to the Department information concerning the Breach as it becomes available to it and shall also provide such assistance and further information as is reasonably requested by the Department.

Risk Assessment

- c. When Business Associate determines whether an impermissible acquisition, use or disclosure of PHI by an employee or agent poses a low probability of the PHI being compromised, it shall document its assessment of risk in accordance with 45 C.F.R. § 164.402 (in definition of "Breach", ¶ 2) based on at least the following factors: (i) the nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification; (ii) the unauthorized person who used the

protected health information or to whom the disclosure was made; (iii) whether the protected health information was actually acquired or viewed; and (iv) the extent to which the risk to the protected health information has been mitigated. Such assessment shall include: 1) the name of the person(s) making the assessment, 2) a brief summary of the facts, and 3) a brief statement of the reasons documenting the determination of risk of the PHI being compromised. When requested by the Department, Business Associate shall make its risk assessments available to the Department.

- d. If the Department determines that an impermissible acquisition, access, use or disclosure of PHI, for which one of Business Associate's employees or agents was responsible, constitutes a Breach, and if requested by the Department, Business Associate shall provide notice to the individuals whose PHI was the subject of the Breach. When requested to provide notice, Business Associate shall consult with the Department about the timeliness, content, and method of notice, and shall receive the Department's approval concerning these elements. The cost of notice and related remedies shall be borne by Business Associate. The notice to affected individuals shall be provided as soon as reasonably possible and in no case later than 60 calendar days after Business Associate reported the Breach to the Department.

Mitigation

- e. In addition to the above duties in this section, Business Associate agrees to mitigate, to the extent practicable, any harmful effect that is known to Business Associate of a use or disclosure of PHI, by Business Associate in violation of the requirements of this Agreement, the Related Agreement or the HIPAA Standards. Business Associate shall draft and carry out a plan of corrective action to address any incident of impermissible use or disclosure of PHI. If requested by the Department, Business Associate shall make its mitigation and corrective action plans available to the Department.
- f. The notice to affected individuals shall be written in plain language and shall include, to the extent possible, 1) a brief description of the Breach, 2) a description of the types of Unsecured PHI that were involved in the Breach, 3) any steps individuals can take to protect themselves from potential harm resulting from the Breach, 4) a brief description of what the Business Associate and the Department are doing to investigate the Breach, to mitigate harm to individuals and to protect against further Breaches, and 5) contact procedures for individuals to ask questions or obtain additional information, as set forth in 45 CFR §164.404(c).

Notification to Clients

- g. Business Associates shall notify individuals of Breaches as specified in 45 CFR §164.404(d) (methods of individual notice). In addition, when a Breach involves more than 500 residents of a State or jurisdiction, Business Associate shall, if requested by the Department, notify prominent media outlets serving such location(s), following the requirements set forth in 45 CFR §164.406.

4. Obligations of the Department to Inform Business Associate of Privacy Practices and Restrictions

- a. The Department shall notify Business Associate of any limitation(s) in the Department's Notice of Privacy Practices, implemented in accordance with 45 CFR § 164.520, to the extent that such limitation may affect Business Associate's use or disclosure of PHI.
- b. The Department shall notify Business Associate of any changes in, or revocation of, permission by an Individual to use or disclose PHI, to the extent that such changes may affect Business Associate's use or disclosure of PHI.
- c. The Department shall notify Business Associate of any restriction in the use or disclosure of PHI that the Department has agreed to in accordance with 45 CFR § 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.
- d. The Department shall not request Business Associate to use or disclose PHI in any manner that would not be permissible under the Privacy Rule if done by the Department.

5. Term and Termination

- a. **Term.** This BAA terminates concurrently with PSC 21-630-4000-00xx, except that obligations of Business Associate under this BAA related to final disposition of PHI in this Section 5 shall survive until resolved as set forth immediately below.
- b. **Disposition of PHI upon Termination.** Upon termination of this PSC 21-630-4000-00xx and BAA for any reason, Business Associate shall return or destroy all PHI in its possession and shall retain no copies of the PHI. In the event that Business Associate determines that returning or destroying the PHI is not feasible, Business Associate shall provide to the Department notification of the conditions that make return or destruction of PHI not feasible. Upon mutual agreement of the Parties that return or destruction of the PHI is infeasible, Business Associate shall agree, and require that its agents, affiliates, subsidiaries and subcontractors agree, to the extension of all protections, limitations and restrictions required of Business Associate hereunder, for so long as the Business Associate maintains the PHI.
- c. If Business Associate breaches any material term of this BAA, the Department may either:
 - i. provide an opportunity for Business Associate to cure the Breach and the Department may terminate this PSC 21-630-4000-00xx and BAA without liability or penalty in accordance with Article 4, Termination, of PSC 21-630-4000-00xx, if Business Associate does not cure the breach within the time specified by the Department; or,
 - ii. immediately terminate this PSC 21-630-4000-00xx without liability or penalty if the Department determines that cure is not reasonably possible; or,
 - iii. if neither termination nor cure are feasible, the Department shall report the breach to the Secretary.

The Department has the right to seek to cure any breach by Business Associate and this right, regardless of whether the Department cures such breach, does not lessen any right or remedy available to the Department at law, in equity, or under this BAA or PSC 21-630-4000-00xx, nor does it lessen Business Associate's responsibility for such breach or its duty to cure such breach.

6. Penalties and Training.

Business Associate understands and acknowledges that violations of this BAA or PSC 21-630-4000-00xx may result in notification by the Department to law enforcement officials and regulatory, accreditation, and licensure organizations. If requested by the Department, Business Associate shall participate in training regarding use, confidentiality, and security of PHI.

7. Miscellaneous

- a. Interpretation. Any ambiguity in this BAA, or any inconsistency between the provisions of this BAA or PSC 21-630-4000-00xx, shall be resolved to permit the Department to comply with the HIPAA Standards.
- b. Business Associate's Compliance with HIPAA. The Department makes no warranty or representation that compliance by Business Associate with this BAA or the HIPAA Standards will be adequate or satisfactory for Business Associate's own purposes or that any information in Business Associate's possession or control, or transmitted or received by Business Associate, is or will be secure from unauthorized use or disclosure. Business Associate is solely responsible for all decisions made by Business Associate regarding the safeguarding of PHI.
- c. Change in Law. In the event there are subsequent changes or clarifications of statutes, regulations or rules relating to this BAA or PSC 21-630-4000-00xx, the Department shall notify Business Associate of any actions it reasonably deems necessary to comply with such changes, and Business Associate shall promptly take such actions. In the event there is a change in federal or state laws, rules or regulations, or in the interpretation of any such laws, rules, regulations or general instructions, which may render any of the material terms of this BAA unlawful or unenforceable, or which materially affects any financial arrangement contained in this BAA, the parties shall attempt amendment of this BAA to accommodate such changes or interpretations. If the parties are unable to agree, or if amendment is not possible, the parties may terminate the BAA and PSC 21-630-4000-00xx pursuant to its termination provisions.
- d. No Third Party Beneficiaries. Nothing express or implied in this BAA is intended to confer, nor shall anything herein confer, upon any person other than the Department, Business Associate and their respective successors or assigns, any rights, remedies, obligations, or liabilities whatsoever.

- e. Assistance in Litigation or Administrative Proceedings. Business Associate shall make itself and any agents, affiliates, subsidiaries, subcontractors or workforce members assisting Business Associate in the fulfillment of its obligations under this BAA and PSC 21-630-4000-00xx available to the Department, at no cost to the Department, to testify as witnesses or otherwise in the event that litigation or an administrative proceeding is commenced against the Department or its employees based upon claimed violation of the HIPAA standards or other laws relating to security and privacy, where such claimed violation is alleged to arise from Business Associate's performance under this BAA or PSC 21-630-4000-00xx, except where Business Associate or its agents, affiliates, subsidiaries, subcontractors or employees are named adverse parties.
- f. Additional Obligations.
