To All NM Price Agreement Contractors:

As a formal notification through our document library, we want to clarify two key announcements related to this RFQ: the change in schedule for submitting quotes and the change in approach for liability. For consistency, the notifications that were distributed are below:

Extension of Due Date:

Based on the questions submitted by our state contractors and the complexity of this project, HSD will extend the submission due date from July 24, 2020 to 3pm Monday August 3, 2020.

Unlimited Liability Alternatives:

We've received several inquiries related to the unlimited liability article in the statewide price agreement and in the draft HSD contract in the RFQ. While price agreement contractors have already agreed to this term, we will consider alternative language or terms to liability and indemnification that would provide suitable protections to the agency.

Please note that, per the schedule, no other dates have changed.

Sincerely,

/S/
